

# Save the Redwoods League & CA State Parks Partnership

WALK AMONG GIANTS<sup>SM</sup>

- **1917:** 3 conservationists visit the majestic coastal redwoods and saw widespread logging
- **1918:** Established Save the Redwoods League to protect the redwoods
- **1927:** League helped establish state park system

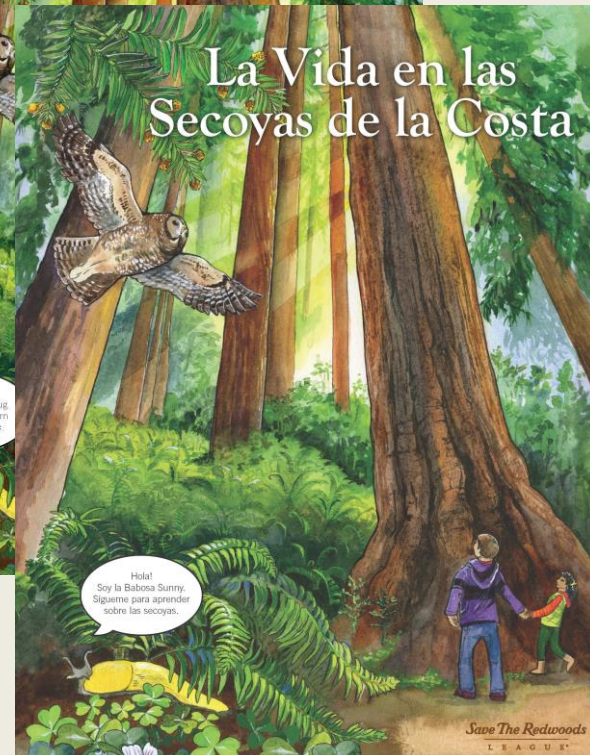

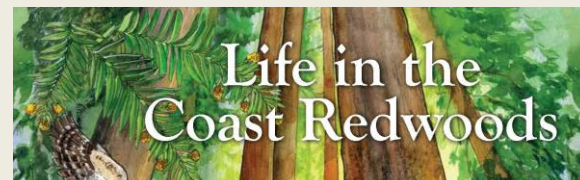

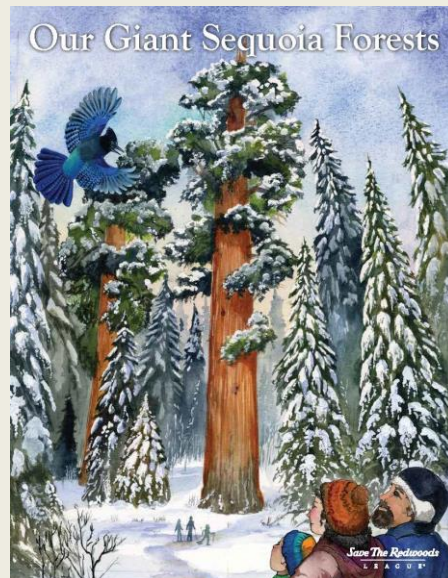

## Variety of Work with State Parks

- Enhancement Projects
- Proud Partner & Outreach work
- Grove Program
- Education
- Science: Collecting data & conducting research in parks
- Other partner organizations

*"These trees, because of their size and antiquity, were among the natural wonders of the world and should be saved for posterity."*

—Andrew P. Hill, 1899

**Our Mission**

The mission of California State Parks is to provide for the health, inspiration and education of the people of California by helping to preserve the state's extraordinary biological diversity, protecting its most valued natural and cultural resources, and creating opportunities for high-quality outdoor recreation.

## Current State Park Enhancement Projects

*Save The Redwoods*  
LEAGUE

## Current Enhancement Projects

- Redwood NSP – Forest Restoration Collaborative
- Humboldt Redwoods (GCA)
- HR, Richardson Grove, Ave of Giants
- Sinkyone Wilderness (Usal Beach)
- Portola Redwoods
- Big Basin Redwoods
- Pfeiffer Big Sur
- Calaveras Big Trees

## Portola RSP – Ramada reconstruction

## New Way of Partnering with CA State Parks

- Statewide MOU
- Semi-annual project selection meetings
- Partnership Office collaboration
- Project Agreement implementation at park unit level

# Sinkyone Wilderness – Usal Beach

# Pfeiffer Big Sur SP

A low-angle, upward-looking photograph of a group of about ten people standing in a circle in a sun-dappled forest. They are all smiling and looking towards the center, where their hands are stacked on top of each other in a huddle. The people are dressed in casual outdoor attire like t-shirts and hats. The background is filled with the green foliage and brown trunks of trees, with sunlight filtering through the leaves.
